

Read. Write. Create.

Complete any three of the prompts to earn your Interstellar Seeker badge.

Read

- What's inside a black hole? Read a non-fiction book about space to find out.
- Read about the myth behind a constellation.
- Read the biography of an astronaut.

Write

- Write a fan letter to your favorite planet telling it why you love it.
- Imagine you've discovered life on another planet. Write a story about visiting there.
- Write your own song about outer space using the tune of "Twinkle, Twinkle, Little Star."

Create

- Make an edible model of the solar system with fruits, veggies, or other foods.
- Design your own rocket ship.
- Look at the moon for three nights in a row. Draw or paint how it looks each night.

**Bring this back to the library
to get your badge.**
