Create

Create an object from your favorite series.

Follow these steps to make a magic wand.

Materials

- Wooden dowel or chopstick
- Sandpaper
- Hot glue (you may need an adult to help you)
- Acrylic paint
- Glitter

- Use sandpaper to sand down one end of your wooden dowel until it's rounded. This makes the tip of your wand.
- Use hot glue to create knobs, swirls, designs, and even a handle to hold your wand. You may need an adult to help with this.
- Once the glue is dry, paint the wand any color you want.
- While the paint is wet, sprinkle glitter on your wand for a magical effect.
- Your wand is finished! Time to start practicing your spells.
