

ME & MY WORLD

BE A GOOD FRIEND

Do three learning activities with your child, then visit the library to get their badge!

- Play a game where the players take turns, like Candyland or Go Fish, with your child.
- Take your child to a storytime at the library with a friend.
- Have your child practice giving their friends compliments.
- Does your child have any special skills or talents? Have them teach their friend that skill.
- Have your child and their friend work on a project together, like making a blanket fort.

By playing games that involve taking turns, you are helping children learn how to regulate themselves. The skill of self-regulation helps children develop successful classroom behavior.
