

Map Mania

Do any three activities to earn your Map Mania badge.

Explore

- Use an online map service like Google Maps to locate your neighborhood, library, police station, and fire department.
- Observe maps of the same area that were created several years apart. How are they alike? How are they different?
- Explore a park and use a trail map to find your way.

Write

- Design a scavenger hunt. Hide treasure, then write a set of clues for a friend to find it.
- Write step-by-step directions for how to get from one favorite place to another. Follow your directions to see if you got it right.
- Relabel a map. Invent new city names, places, and symbols, and then design a map legend.

Create

- Build a 3D map of an imaginary world with blocks, craft supplies, or recyclables.
- Create a topographic map with clay or salt dough. Include a compass and legend.
- Make a map collage. Use an atlas, scrap paper, or printouts of maps that you find online.

Use the reverse side to do some of the activities.

**Bring this back to the library
to get your badge.**

Create

Make a map collage.

Use an atlas, scrap paper, or printouts of maps that you find online.
