## **BABY BUNNIES**

Today's theme is all about bunnies! Bunnies are cute, little animals that love to dig, play, and hide. Bunnies have soft, long ears to help them hear sounds from far away. They also have big, strong feet that help them run and jump! Bunnies love to eat lots of different foods. Bunnies love to eat hay and grass. They also love to eat vegetables like carrots, peppers, cabbage, and brussel sprouts! Bunnies are important to the environment because they eat pesky weeds!

Today's fun includes a coloring page with different types of bunnies, a bunny maze, an interactive bunny story, and an extra bunny word search!

# So Many Bunnies!
