

Badge Design Contest

Help us design a new Badge Squad badge! Our new badge will be focusing on diversity, and will have challenges designed to help us make the world a better place. Draw your badge design below, list your ideas for challenges, and let us know what you think we should call the badge. Check out some of our other badges and badge challenges on our website for inspiration! This contest is open to children 0-18.

All entries are due by 8/15/2020.
