

# Baby Shark

## STORYTIME THOUGHTS

It's never too early to encourage your child's love of reading, and one surefire way to do that is to pick books you know they'll love and build upon them! If your child is obsessed with Baby Shark and you've listened to the song one thousand times, guess what? There's a book for that --and you can use it as a springboard to enjoying other stories about sharks, and even sharing non-fiction books about sharks together and learning a few shark facts.

Making reading fun helps build your child's print motivation and can make learning to read a blast!

## SONGS & RHYMES LYRICS

### Five Little Fishes

Five little fishes, swimming in the sea.  
Teasing Mr. Shark, You can't catch me,  
Along comes Mr. Shark, as quiet as can be...snap!

*[repeat with: four...until done counting down]*

### Slippery Fish

Slippery fish, slippery fish, sliding through the water,  
Slippery fish, slippery fish, Gulp, Gulp, Gulp!  
Oh, no! It's been eaten by an... OCTOPUS!

*[Repeat with squiggling octopus, flashing tuna fish, lurking great white shark, and spouting humongous whale!]*

*[Sing instead of the last verse for the humongous whale: Gulp!? Gulp!? Gulp!? BURP! Pardon me!]*
