ADVENTURE AWAITS!

SUMMER QUEST

BUCKS COUNTY FREE LIBRARY | 2022

The Bucks County Free Library is heading to the great outdoors for Summer Quest 2022!

Set your daily reading goal in the circle on the next page; we recommend trying to read 20 minutes a day! Then, use the circles to track each day you reach your goal. Have fun completing the five special activities at your own pace.

Each time you visit the library this summer, check in at the Summer Quest table. You'll get one camp keychain bead for each day you reached your reading goal. You can also collect a stamp for every activity circle you complete. Collect every stamp and read through the summer to get a certificate of completion from your library!
