Group Volunteer Requirements

The group leader will serve as the primary contact person for the group and coordinate application, orientation, training, scheduling, and supervision of the group. Adult volunteers are required to submit individual applications and if 18 or older will be required to submit background checks. Those below age 18 must submit individual parent or guardian permission forms.

The library requires groups applying with children to schedule adult volunteers to supervise. The number of adults will depend on the type of assignment. The minimum adult-child ratio is one adult for every 12 children age 12 and older. The library does not accept volunteer groups with children under age 12.

Please attach or write below a list of your group members that will be volunteering. Names and a contact (either e-mail or phone number) are needed. Please use another sheet if more space is needed.
