

Sprout Scout

Do any three activities
to earn your Sprout Scout badge.

Explore

- Check out a library book about gardening.
- Visit a local farm or farmer's market. Do they grow your favorite food?
- Go for a walk or hike. What kind of plants do you see?

Write

- Plan your own garden. Make a list of seeds you will need, and sketch a map of where you will plant them.
- Create a nature scavenger hunt. Have a friend try to complete it!
- Write a short story or comic about a garden at night. What happens?

Create

- Design a bird house for your garden.
- Use objects that you find outside to create art.
- Draw a picture of an imaginary vegetable or fruit. What does it look and taste like? Does it grow above or below ground?

Use the reverse side to do some of the activities.

**Bring this back to the library
to get your badge.**

Create

Draw a picture of an imaginary vegetable or fruit. What does it look and taste like? Does it grow above or below ground?
