2024 Summer Quest

June 15 to August 10

Color RED when done! ↷

Take a walk and learn to identify a bird that is new to you.

Learn to spot poison ivy, oak, and sumac and what to do if you come in contact with one of them.

Visit a state or local park and use a map to follow a trail.

Look up the shape of deer, rabbit, and robin tracks (footprints) and draw each one.

Create a nature journal and take it with you on a hike. Draw and/or write down what you see.

Color ORANGE when done! ↷

Borrow a cookbook from the library and try a new recipe.

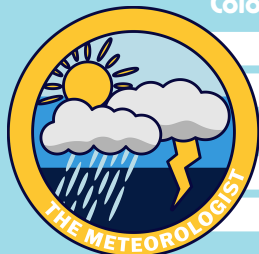

Bake bread, cake, or cookies from scratch.

Choose a vegetable in the grocery store that you've never had before and learn how to cook it.

Grow your own vegetables or herbs in your garden or windowsill, and use them when you cook.

Ask an adult to show you how to use a kitchen tool you've never tried.

Color YELLOW when done! ↷

Lay outside and look up at the clouds. What shapes do you see?

Imagine a new type of weather, and write about it. Is it raining meatballs? Is it snowing cats?

Using clear contact paper and flower petals or tissue paper, create a sun catcher.

What is your favorite weather? Draw or paint it.

Ask an adult to help you look up the weather in 3 places far away, and do a weather report on them.

Color GREEN when done! ↷

Attend a show by one of our animal-themed special performers this summer.

Drop by a Reading Goes to the Dogs program and read to a certified therapy dog.

Find a non-fiction title about an animal and read it.

Learn how to make a dog or cat out of origami.

Write a short story from an animal's point of view.

Color BLUE when done! ↷

Check out cloudLibrary to find an ebook about a sport or athlete and read it.

Create a new sport. Write down the rules, and list the items you need to play it.

With a friend or family member, play a sport you haven't tried before.

Write a letter to your favorite sports team or athlete.

Create your own obstacle course and challenge a friend or family member to complete it.

Color PURPLE when done! ↷

Read a mystery story.

Hide something in your home, and write clues to help a family member or friend to find it.

Learn how to dust for fingerprints, and try it with cornstarch. A video on MetMuseum.org can help!

Write/draw a comic about two enemy spies meeting each other during a mission.

Make your own scavenger hunt and have a friend or family member complete it.
